Pamur, Andhra Pradesh - 523108, India

OBJECTIVE

As a recent graduate with a degree in B.Sc computers, I am eager to apply my theoretical knowledge and hands-on skills in a dynamic work environment. Proficient in programming language as Java , with a solid foundation in software development principles. A quick learner, team player, and enthusiastic about contributing to innovative projects. Seeking an entry-level position where I can leverage my academic background to make meaningful contributions to a tech-driven team.
